Try to have disability access represented.

WAC 434-335-020 Voting systems review board. The voting systems review board may review voting systems for certification and make recommendations to the secretary of state based upon those reviews. The voting systems review board includes independent experts in computer science or information technology, recognized experts in election administration, and representatives of the public at large. Members of the voting systems review board are appointed to a two-year term by the secretary of state. The duties of the voting systems review board include, but are not limited to, reviewing an application for certification, as provided in WAC [434-335-090](#), conducting a public hearing on the application, as provided in WAC [434-335-100](#), and making recommendations on the application to the secretary of state, as provided in WAC [434-335-110](#).
